

Could you help a local children's charity?

THE ROBERTS AND JEFFERY FOUNDATION (Charity Number 271577) is looking for 2 new Trustees.

The Charity grew out of the amalgamation of the Charles Roberts Charity (he was a tailor of St Anns Parish Middlesex) founded by will in 1714 and The Charity of George Jeffery (Vicar of Linkinhorne 1725-1780) Long before compulsory schooling these 2 Charities were involved with educating poor children in the parish ,girls as well as boys. In 1925 the 2 Charities combined to be administered as one Foundation and still operates in conformity with the Scheme agreed then. Today we are able to make grants to assist Linkinhorne children with the cost of Post Elementary education, to improve the Health of children attending the local primary school or otherwise promote the education of children of the Parish where expense is an issue.

To secure the future of this Linkinhorne Charity we need to recruit new trustees to help the foundation to function in the modern world.

If you are able to say yes to one or more of the following we would like to hear from you.

Do you have a financial background, book keeping experience; have you been the Treasurer of a local organisation?

Are you computer literate, have you had previous involvement with running a Charity, acted as Chairman or Secretary of a local organisation? Have you a background in education or working with families and children?

What does being a Trustee entail?

Check out the Charity Commissions Website Charity trustee: what's involved (CC3a) to read their guidance. This guidance explains the main duties, who is eligible and signposts to further information.

We are a small local Charity normally meeting twice a year and communicating by email between meetings

If you would like to know more, or be emailed a copy of our Charity document contact
